Bellevue College, Bellevue, WA
AA/S, June 2011
GPA: 3.985

Mount Si High School, Snoqualmie, WA
Graduation: June 2011

VOLUNTEER

Moutaineering Guide, Beyond Malibu
Planned routes and guided groups of beginners in learning/ performing the necessary skills to summit peaks in British Columbia.

Women in Informatics President, UW RSO
Facilitated community bonding, professional events, outreach events, etc. Led day to day/ weekly club operations.

Vision16 Facilitator
Held 16 women accountable for daily and weekly household and community duties, facilitated/mentored a weekly small group, planned and led weekly house meetings.

Web Master: Youth Program, Cascade Covenant
Managed modules. Posted all dates, announcements, etc. on a weekly basis. Maintained small group description and sign-up pages.

EXPERIENCE

UW Construction Management
Web Developer:
Designed and implemented a web application allowing UWCM graduates to input information about projects they've contributed to. Maps all projects. Hand-coded entire app using HTML, CSS, JS, and JQuery on the front-end and PHP and MySQL on the back-end. Designed and built the MySQL database. Utilized the Foundation framework for responsiveness and the Google Maps API for mapping.

Shoofly Farm LLC
Web Developer:
Designed and implemented a new interface, content strategy, and solution for DNS service, domain registration, hosting, and email services. Hand-coded entire website in HTML, CSS, JS, JQuery, and PHP.

Horseback Riding Instructor and Coordinator:
Managed employees and all inventory. Provided for the general health needs of all of the camp's horses. Coordinated the daily riding of 60 kids.

UW School of Nursing Advancement
Student Assistant:
Designed invitations, fliers, programs, etc. in Illustrator and Photoshop. Ran daily gift audit reports and sent out 'thank you's. Maintained database entries.

INTERESTS

Horseback-riding, alpine skiing, mountaineering, climbing, literature, cooking, baking, chocolate production, hand lettering, drawing.
